## About the Firm

M/s. RRN Legal traces its beginnings to 2011, when three advocates who had each trained under senior members of the Bar came together to build a common practice. In 2014 the firm assumed its present name, RRN Legal, reflecting the initials of its founding partners. From its office on Armenian Street in the Parrys area of Chennai — in close proximity to the Madras High Court — the firm serves a varied base of clients including individuals, proprietorships, partnerships, private and public companies, trusts and institutions.

The firm's practice combines courtroom litigation with documentation, advisory and liaisoning work, with the aim of offering clients a single point of contact for their legal needs. Partners appear before the High Court of Madras, the NCLT, Debts Recovery Tribunals, District and Magistrate Courts, the Motor Accident Claims Tribunal, TNRERA, consumer forums and other specialised bodies.
